THIS CERTIFICATE IS PROUDLY PRESENTED TO:

## Mohit kumar dubey

To whomever it may concern,

It is my pleasure to recommend the services of Ms. Mohit kumar dubey to your organization. He has worked as an intern with Artbeat Entertainment Pvt Ltd from July 05,2021 till August 15,2021. During the whole tenure, I developed a high regard for his/her based on the outstanding contributions that he made to the company. His responsibilities include contribution in developing the official website of the company using HTML, CSS and BOOTSTRAP with the basic understanding of JAVASCRIPT, working for the responsiveness of website and bug fixes in the final code. He played a significant role in developing and implementing overall web strategies. His knowledge of the required languages was excellent.

He/She performed fair and extraordinary work that went beyond internship requirements. He/She is a self-motivated, dedicated and quick learner who knows to carry oneself in a polite and respected manner. He has a quite curious intellect, always looking for the answers to his queries. I was really pleased with his/her's enthusiasm in stepping ahead to take on new tasks with will. His/Her ability to communicate with co-workers is fairly good and exceptional. He/She completed all the tasks assigned in a professional and timely manner.

From the beginning, He/She impressed me with his honest commitment to the work. Though he is no longer an intern at Artbeat Entertainment, but his cordial contribution to facilitate the completion of company-wide assignment in the field of web development is quite extraordinary and noticeable. He/She is a bright and outgoing young man who enjoys working with the public. His service skills are well defined and he is capable of performing his best even in odds. He/She is a reliable team member and has the competency needed as a fine Web Developer.

Sincerely,  
Rahul Rasimo
